Student Name - College Name - Address - Student Birthday

Help the Koinonia Class provide Back-to-School needs in August. Our class is collecting supplies for the students at Nazareth Children’s Home for Back-to-School!! Boxes will be available in common areas of the church for your donations of backpacks, pencils, composition books, crayons, pencil boxes, glue sticks. Anything our students need these children do also. Donations collected thru the month of August. Please help the least of these!

On September 23 & 24, I will be riding a 100-mile bicycle ride in the Tour to Tanglewood to raise money to help support people living with Multiple Sclerosis. Money raised through this event funds MS research, programs, and services that make an enormous difference to the people fighting MS every day.

I have set a goal of \$2000. I began riding the Tour to Tanglewood 16 years ago in honor of Shelia Hedrick-Looper. I continue to ride in memory of Shelia and in honor of Jodi Hernandez, Dana Burnsides, and the Jerry Hedrick family.

Please make checks payable to MS Society and give to Barbara Strickland or me. Thank you and I appreciate your support. Bill Marion

SUNDAY INSERTS

"We are excited to update you that Shepherd Staff, the search firm that we have partnered with for our Sr. Pastor search, has been working hard behind the scenes actively seeking and interviewing some strong candidates to present to us for our consideration. They have already presented 2 great candidates that are no longer in consideration.

They are currently in the process of interviewing and vetting a few additional strong candidates that are in various stages of their process. Since rumors have been out there that one of the candidates is our former Pastor, Paul Perkins, we confirm that he is one of the candidates that they are in process with.

All potential candidates go through their process and will be treated equally and objectively. Shepherd Staff does not choose our Pastor. The value that they bring is that they have done this successfully for almost 2 decades and have a proven track record of success. The other great value that they bring is that they have an objective viewpoint which a local church can't have. We have a strong partnership and trust level between them and our team.

While some of the information that our Search Team obtains over the time of the search is confidential in nature, we will continue to give you updates as to our search process and progress in finding our next Pastor. If you have specific questions, please direct them to John Bryant, chair of our Search Team.

We ask for your prayers for our team, Shepherd Staff, and our church as we prepare for the person that God is already preparing for us."

HOPE FOOD TRUCK

Hope Truck Food Co. operates with a mission of ending childhood hunger in our local community. When you partner with Hope Truck Food Co. you are helping provide meals for children in your backyard who may not receive them otherwise. 100% of Hope Truck Food Co.'s net proceeds go directly to providing HOPEFULLS, which are weeknight dinners, to children in need in our public school system. You'll not only receive a delicious meal yourself, but also provide a free meal to a child in need right here in the Triad.
